

Transportation options to Lawrence from Kansas City International Airport Fall semester 2011

Transportation Option #1

If you are a new KU international student arriving for the Fall 2011 semester during the last two weeks of July or the first two weeks of August, free shuttle transportation will be available through a Lawrence community organization. Sign-up information can be found at: <http://www.iss.ku.edu/prearrival/getting-to-ku.shtml>. Availability for this option is limited and it fills quickly.

You may arrange for personal transportation from the airport through a friend or relative. Some of the campus student nationality organizations also assist students from their representative countries. A list of campus student organizations can be found at: <http://www.ku.edu/students/organizations.shtml>
